

**PUBLIC MEETING OF COUNCIL OF THE VILLAGE OF MARCELIN HELD  
ON WEDNESDAY, NOVEMBER 24<sup>TH</sup>, 2021 AT THE MARCELIN COMMUNITY  
HALL.**

The following were present to present material and answer questions: Mayor Dennis Ferster, Councilor Lindsay Chmil, Councilor Lynn McCormick, Councilor Tom Hatfield, Councilor Craig Verbonac, CAO Leanne McCormick.

There were 8 people of the public present.

Council informed the public that upgrades to the Water Treatment Plant will be happening next year. These upgrades include installing a Ultraviolet (UV) system, which will be used as the primary disinfection as well as the Greensand filters and media will be replaced. Discussions were held around financing the upcoming project, including increasing current infrastructure fees and borrowing.

Meeting adjourned at 7:01pm.
